High School - 2503 N University St - Peoria, IL 61604 - p 309-402-0030 - f 309-685-3001

The ultimate goal of Quest Charter Academy is to provide students with a curriculum rich in science, technology, engineering and math and prepare them to be skill-ready for post-secondary education, to become bold inquirers, problem solvers and ethical leaders enabling them to meet the challenges of a competitive global workforce.

Quest has established key partnerships with community organizations, educational institutions and individuals who provide our students with invaluable exposure to the world that awaits them. **One of these key partnerships is with the Peoria Symphony Orchestra.** Each year, we work with Maestro George Stelluto and Executive Director, Susan Hoffman to plan monthly events at both our Middle School and High School. These programs typically involve the PSO bringing a guest artist to Quest for special performances and to talk to students about their background, education and career path as musicians.

Often, our students receive complimentary tickets to see the PSO perform – an experience which supplements the classroom visits. We take our students to the Annual Student Concert performance as a way to ensure all students experience at least one live symphony performance each year.

While this partnership aims to increase students' knowledge and appreciation for the arts and help them understand the close connection between a STEM-focused education and the arts, there are many additional benefits. These accomplished artists reinforce important messages such as hard work, commitment and perseverance.

We are proud to partner with the Peoria Symphony Orchestra, and are lucky to have such a wonderful resource available to our students.

A handwritten signature in blue ink that reads "Cindy Ardis Jenkins".
