We invite you to join us for an exciting year by becoming a Peoria Symphony Guild member today. Our membership year is **June 1, 2021 to May 31, 2022**. Since 1951, members of the Peoria Symphony Guild have invested time, energy, and talents to benefit our community through music education. Please join today to help us with exposing and keeping classical music alive in our youth.

- YOU would make a difference in creating music education and performance opportunities for youth in our community. Signature programs include: Young Artist Competition, Annual Student Concert, and award-winning Puppet Troupe performances.
- YOU will get to enjoy complimentary Musical Monday classical music education and performances (4 to 5) throughout the Symphony Season with refreshments.
- YOUR volunteer and/or financial support will help make the Guild a stronger organization, which benefits music for all in Central Illinois. It also supports the archiving of information for the Guild, Peoria Symphony Orchestra, and Peoria Symphony Foundation.
